PSW Submission Cutoff (3 days prior to 2/16)	PSW Submission Cutoff 2 days as of 2/16
Check Date 1-15	Check Date 16 - Last Day of the Month
National federal banking holiday observed. All banks are closed.	

¹Checks may be received 1-3 days after check date, depending on mail service. Direct deposit and Comdata Services are dated for Check Date and may appear in the account at any point throughout the day. If using direct deposit, it is important to remember that some financial institutions process electronic deposits once per day, others twice per day. The time of day when deposits are processed can also vary. The PSW should check with their financial institution to find out when their direct deposit will be processed.

As of February 1, 2016 PSWs that submit a paper timesheet for the CDDP/Brokerage to enter must submit within two days of the end of the payroll period. These dates are in purple. PSWs doing their own time entry will have three days to submit their signed timesheets for verification only. These dates are in yellow.
